

CA\$INO NIGHT FUNDRAISER

SPONSORSHIP PROPOSAL

Karen Douglas runs a very busy not-for-profit specialised speech therapy clinic for children called Max's House.

Max's House came to life because of Karen's struggle to find specialised speech pathologists and facilities in Australia to provide therapy for her son Max's disorder. Without specialised and intensive therapy, Max faced a future without a voice of his own.

Karen believed there was more she could do and made the decision to set up Max's House – to provide her son with the necessary intensive and specialised therapy needed for speech and at the same time help the many other families in Australia who were in a similar position.

We thank you in anticipation of your support.

Your ticket includes champagne, wine and beer during the course of the evening as well as canapés on arrival, a two course gourmet dinner plus dessert, coffee and tea afterwards. Plus we have a huge array of spectacular raffle and auction items for you to win during the night.

SPONSORSHIP PACKAGES 2011

Your company's sponsorship will provide the much-needed funds to help a family receive a month of intensive therapy with the leading specialists overseas which they might not receive due to financial restrictions. The funding will also help our clinic provide a block of intensive therapy to a number of children with severe CAS. At the same time Max's House staff members will be provided with the most up to date training to treat CAS effectively. To help with this we aim to raise **\$25,000**. To do this we need your help!
